It is agreed by and between the parties hereto that essential governmental functions and offices shall continue to operate without interruption for the benefit of the general public. In the event of any dispute hereunder, all forms of picketing, other than informational, are forbidden. Under no circumstances shall any dispute hereunder cause a strike or picketing against any other Montgomery County office or function, other than the Montgomery County Highway Department.

Regardless of any provision herein to the contrary, the Employer shall not be in violation of this contract when it is required by law or virtue of any regulation, directive or order of any proper office to perform any act required of it in compliance with such law, regulation, directive or order. The foregoing shall include compliance with all laws, regulations, directives or orders pertaining to civil rights and equal employment opportunity legislation.

ARTICLE II

MANAGEMENT RIGHTS

The Employer has the sole and exclusive right to manage the affairs of County business. Such functions shall include, but not be limited to, the right to discipline employees, the right to make reasonable rules and regulations, to promote, to determine the amount of work needed and to lay off because of lack of work. It is understood and agreed that these rights shall not be exercised in any manner not consistent with the terms and conditions of employment as set forth in this Agreement. This Article is subject to the provisions of Article XV, Grievance Procedure.

ARTICLE III

UNION RECOGNITION, DUES CHECKOFF AND FAIR SHARE

SECTION 1. UNION RECOGNITION. It is agreed by the Employer that the Union shall be the sole bargaining agent for all persons employed in the bargaining unit for the purpose of establishing wages, hours and other conditions of employment as required by the Illinois Public Labor Relations Act. The bargaining unit will consist of all regular maintenance and clerical employees of the Montgomery County Highway Department.

Upon receipt of written authorization by an employee submitted on a form provided by the Union, the Employer shall deduct from each employee's paycheck Union membership dues. Such deduction shall continue until the employee revokes his/her written authorization in the same manner as it was initially given or until the termination date of this Agreement. The amount of deductions provided for herein shall be remitted to the Union on a monthly basis, accompanied by a listing of each employee, his/her social security number and the specific deduction with the amount for each.

The Employer agrees that after all present and new employees have signed the proper check-off authorization card to check off his/her pay and proper dues, the Employer will forward same to the Secretary-Treasurer of the Union.

A new employee, as defined herein, shall become a member of the Union or pay the fair share not later than the thirtieth (30th) day following the beginning of his/her employment, or within thirty (30) days of the execution of this Agreement, as a condition of employment, and shall continue in good standing in the Union or pay the fair share as a condition of continued employment.

SECTION 2. FAIR SHARE DEDUCTION. All bargaining unit employees who are not members of the Union and who do not become members of the Union within thirty (30) days of the effective date of this Agreement, or on their date of employment, whichever is later, and who continue during the term of this Agreement to not be members of the Union, shall pay to the Union each month their fair share of the costs of services rendered by the Union, not to exceed the full amount of Union dues required of Union members. The fair share amount shall be deducted by the Employer from such employee's pay pursuant to this Article with regard to full dues check-off. Such deductions shall be forwarded to the Union pursuant to this Article along with the above-mentioned dues deduction amount stated within Section 1 of this Article.

SECTION 3. INDEMNIFICATION. The Union shall indemnify, defend and hold harmless the Employer against any claim, denial, suit or liability owing from any action taken by an employee in complying with this Article.

During the probationary period, an employee may be discharged without recourse provided; however, the Employer does not discharge or discriminate for the purpose of evading this Agreement or discriminate against Union members. Upon completion of the Six (6) months probationary period, an employee shall be granted seniority right from his/her most recent date of hire.
